- Customers will only be allowed to visit the showroom by appointment only.
- 1.5 hour appointment slots will be allocated with a half an hour clean down between each appointment.
- Please arrive 10 minutes early for your appointment.
- A maximum of six sets of customers will be permitted in the showroom at any one time.
- It's important to keep the appointments to within the allotted time, allowing us adequate time to prepare the showroom for the next customer.
- Wearing face masks or suitable face coverings is required during your visit.
- We ask you to please refrain from touching anything where possible.
- Hand sanitiser stations are set up at the front and back doors, and near the toilets in the showroom.
- Our cleaning contractors will provide a daily deep clean using an anti-viral cleaner. We will also make sure to cleanse any frequently touched surfaces between each appointment.
- We ask that customers adhere to and respect a distancing policy of 2m from any staff member at all times.
- We welcome you to bring your children, however please ensure they follow the safety guidelines and stay with you during your appointment.

thank you for your cooperation
